ABOUT ME

As a passionate dentist, I want to provide my patients with the highest dental care and comfort and ensure that every patient receives treatment tailored to their unique needs. I aim to create beautiful, healthy smiles while prioritizing patient education and comfort. I have a high ambition to learn more about different fields of dentistry and develop myself to be always updated.

WORK EXPERIENCE

General Dentist – Ministry of Health Jun 2024 – Present
Oprator

I provide essential dental care to diverse patient populations. Focused on preventive dentistry, patient education, and ensuring adherence to public health guidelines and infection control standards.

General Dentist – Suez Military Hospital Jun 2023 – Jun 2024
Oprator

Providing comprehensive dental services to soldiers, including routine care, emergency treatments, and specialized procedures, ensuring their oral health needs are met efficiently and with the highest standards of care.

Smile Dent Clinic, El Shorouk City 2021 – Feb 2023
Dental Assistant

Learn effective patient communication skills, gain proficiency in clinic management, and acquire hands-on experience in various areas of dentistry, including restorative, cosmetic, and preventive care.
